

## AS/A2 RESOURCES

A range of the most popular resources from [www.businessstudiesonline.co.uk](http://www.businessstudiesonline.co.uk) are now available on CD. All of the resources have been designed and created by practising Business Studies teachers, who teach in typical UK high schools.

### DEVELOPING NEW BUSINESS IDEAS PRESENTATION PACK

A complete set of PowerPoint® presentations designed to cover **Unit 1** of the 2008 Edexcel AS Business Studies & AS Economics and Business Specifications. (8BS01/8EB01)

2008

In total there are 20 PowerPoint® presentations, covering:

1. Characteristics Of Successful Entrepreneurs
2. Identifying A Business Opportunity
3. Evaluating A Business Opportunity
4. Economic Considerations
5. Financing The New Business Idea
6. Measuring the Potential Success Of A Business Idea
7. Putting A Business Idea Into Practice

With 148 PowerPoint® slides, all of which can be edited to suit your needs using Microsoft PowerPoint®, this resource will save hours of preparation. All presentations are also provided in PDF and FlashPaper.

### MANAGING THE BUSINESS PRESENTATION PACK

A complete set of PowerPoint® presentations designed to cover **Unit 2** of the 2008 Edexcel AS Business Studies & AS Economics and Business Specifications. (8BS01/8EB01)

2008

The presentations are mapped against the specifications - covering:

1. Marketing Plan
2. Managing The Provision Process
3. How Does A Company Budget Efficiently?
4. Managing Other People

This resource will save hours of preparation since all of the slides can be edited to suit your needs using Microsoft PowerPoint®. In addition all presentations are also provided in PDF and FlashPaper

The resources can easily be made available to students on a network, or through a VLE.

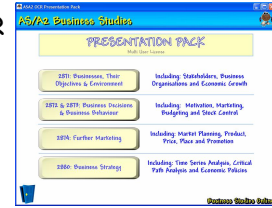

All titles are now published with Multi-User Licences. This allows files to be copied freely onto a network or a secured Virtual Learning Environment within the purchasing institution.

**Also Available: A Range of GCSE Resources, and Classroom Resources**

## AS/A2 PRESENTATION PACK

A complete set of PowerPoint® presentations designed to cover the OCR AS/A2 Specifications. Although written to fit the OCR 3811/7811 courses these presentations are suitable for use with other specifications.

See what you are getting before you buy! ALL of these presentations can be viewed on the website.

In total there are 63 PowerPoint® presentations, covering all AS units (2871, 2872, and 2873) and two of the A2 units (2874 - Further Marketing, and 2880 - Business Strategy).

With 675 PowerPoint® slides, all of which can be edited to suit your needs using Microsoft PowerPoint®. All presentations are also provided in PDF and FlashPaper.
