

GCSE RESOURCES

A range of the most popular resources from www.businessstudiesonline.co.uk are now available on CD. All of the resources have been designed and created by practising Business Studies teachers, who teach in typical UK high schools.

INTRODUCTION TO SMALL BUSINESS RESOURCE PACK

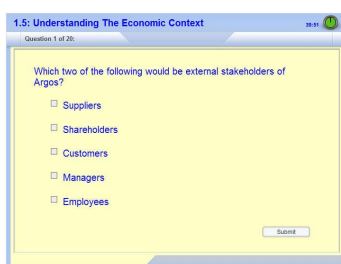

This resource pack has been designed to cover **Unit 1** of the Edexcel GCSE (Pilot) Course - which makes it ideal for the new 2009 Specifications. 

It contains 26 PowerPoint® presentations - mapped against the specifications - covering:

1. Spotting A Business Opportunity
2. Showing Enterprise
3. Putting A Business Idea Into Practice
4. Making The Start-up Effective
5. Understanding The Economic Context

In addition a timed on-screen test for each of the above areas is provided (see screenshot) along with a printable version of all of the questions and answers.

There are over 170 PowerPoint® slides, all of which can be edited to suit your needs using Microsoft PowerPoint®. All presentations are also provided in PDF and FlashPaper formats.

The PowerPoint Presentations and online tests can easily be placed on a VLE or a network.

BUILDING A BUSINESS RESOURCE PACK

This resource pack has been designed to cover the requirements for **Unit 2** of the Edexcel GCSE (Pilot) Course - which makes it ideal for the new 2009 Specifications. 

The 25 PowerPoint® presentations are mapped against the specifications - covering:

1. Marketing
2. Meeting Customer Needs
3. Effective Financial Management
4. Effective People Management
5. The Wider World Affecting Business

Bonus content includes a number of interactive resources to complement the topics studied.

In total the pack contains over 130 slides, which can be edited to suit your own needs using Microsoft PowerPoint. The presentations are also provided in PDF and FlashPaper formats and can be accessed through a user-friendly interface.

The resources can be made available to students on a network, or through a VLE.

All titles are now published with Multi-User Licences. This allows files to be copied freely onto a network or a secured Virtual Learning Environment within the purchasing institution.

Also Available: A Range of A-Level Resources, and Classroom Resources
